Request for Utility Interruption Notification

In the event of an unexpected Plant Utility Service interruption, and as time and staffing allow, Plant Maintenance Personnel will attempt to notify those who are affected, by telephone.

One primary and one alternate only:

	<u>NAME</u>	<u>LBNL Phone</u>	<u>Bldg-Location</u>	<u>Offsite Phone</u>
1)				
2)				

Plant Utilities covers Facilities-operated systems ONLY

Put an X to the left of each service for which you require notification.
